The MARVEL MASTERWORKS are proud to present the continuing adventures of Col. Nick Fury in the Swinging Sixties! The irascible Agent of S.H.I.E.L.D.'s series was a truly innovative lightning-in-a-bottle merger of comics and the spy craze of the day, and where better to start our collection than with a Nick Fury origin issue housed inside an iconic Jim Steranko cover? Next up: Steranko's last S.H.I.E.L.D. epic, "Whatever Happened to Scorpio?," will dazzle you before we launch into a new era of adventures including a moon-busting space mission, a mind-bending trip Fury may never come back from and a sub-earth battle with Supremus! Then, Nick Fury faces one of his oldest enemies in the Hate-Monger (a.k.a. Adolf Hitler); the British invade as Steve Parkhouse and Barry Windsor-Smith offer the one-shot "Hell Hath No Fury," and Hydra returns with its sights set on assassinating the S.H.I.E.L.D. director. It's a cliffhanger that will shock and surprise you! Hot on the heels of the explosion of star-spangled super heroes, U.S.A. COMICS presented a wild and wooly selection of patriotic characters fighting for the Red, White and Blue. From the Victory Boys and the American Avenger to wilder heroes like Roko the Amazing, the Blue Blaze and the Fighting Hobo, U.S.A. was a comics magazine bursting at the seams with crazy concepts. But with the Second World War raging, it became clear there was only one hero who could headline a book titled U.S.A.. Captain America! Backed up by the Destroyer, Marvel Boy and the Whizzer — as well as the adventures of regular joes like Sergeant Dix and Jeep Jones, and true tales of WWII — U.S.A. COMICS was the perfect dose of four-color excitement for the American G.I.! Sporting some of the most famous covers of comics' Golden Age, the early Captain America issues of U.S.A. are some of the rarest Marvel comics of all time, and they're collected here for the first time ever!
